February 2009

Photos of the Month - January 2009

Theme - "Churches"

John Ford

Next Month: The theme for the February photo of the month contest is "Barns". The idea is to make an image that best interprets the term "Barns" either as the main subject or supporting the main subject. If you have any questions just send me an e-mail at rodshean@bellsouth.net.

Here is exciting news about our monthly photo contest. In addition to our photo of the year contest that we announced last meeting, we are also going to have prizes for our monthly contest winner. Dury's has agreed to award a gift certificate of \$100 for the first place winner each month and they are going to publish the winning picture on the Dury's website each month. We are also going to open the contest to picture sizes up to 8.5 x 12.

Rules for Photo of the month contest:

1. Photograph must pertain to the subject for that month (example Mar is Barns).
2. The image size to be submitted must be between - 4x6 to 8 1/2 x11 inches.
3. Bring your image to the meeting for that month and leave on display table.

Note: Be sure to put your name on the back of your image.

Future theme's:

March - Animals
April - Bugs

May - Kids
June - Elderly

July - Dirt
August - Red

September - City

Next Meeting: February 17

Harrison McClary: How to Create Photographs with Impact

Harrison is a commercial photographer based in Brentwood, TN.

In his career he has worked as a news photographer covering major events such as the World Series, Super Bowl, The Masters golf tournament, Presidential elections and many other things. His photos have appeared in most major US daily papers and in magazines including: The Saturday Evening Post, Sports Illustrated, TIME, Newsweek, Woman's World, Family Circle, Country Weekly and many others.

As a commercial photographer he has worked on annual reports for DollarGeneral, Hertz, and Exxon. He has produced photography for Home Depot, Lowes, Nissan, Snap On Tools, Pepsi and many other top corporations. He specializes in location photography and is known for creative use of light to create photos with depth and impact.

He is represented by Zuma Press, Retna, and Black Star. He also photographs for the Bloomberg News wire service.

Basic Digital Photography Class

A class covering the basics of digital photography is given before each of our meetings beginning at 6:30. If you are new to photography or just need to review some of the basics this would be a good place to start.

Meeting Time & Place: We meet on the third Tuesday of every month at 7:00 PM at First Baptist Nashville, 7th and Broadway in downtown Nashville. Go behind the buildings and park in the small fenced lot just behind the East Building at 6th & Broadway. [See on a city map](#) or [parking lot map and directions](#)

Future Programs: If you have any suggestions, e-mail them to **Rod Shean**, or let him know at the next meeting.

Membership Dues

The membership dues are \$20.00 per year. Checks are made payable to the Nashville Photography Club. We began collecting dues for the new year at the July meeting.

Note: If you joined in the first six months of this year and paid \$10 that was just a 6 month payment and it's time for you to renew also.

If you are unable to attend the meeting, you can mail the check (made payable to Nashville Photography Club) to me at the following address: Tina Brookes, PO Box 110583, Nashville, TN 37222-0583

Report from the Hiking Group:

Our next hike will be on February 21 and will have a bit of a twist - the **Tennessee Aquarium** in Chattanooga - come and practice the skills you all learned in Bill's class. Join us in an underwater adventure with beautiful exhibits and fishy friends! There is an admission charge to the Aquarium, but I believe you will agree from the Butterfly Exhibit to the Sharks it is worth it! Call or email to join up and get time to meet!

Happy Hiking
