## The Day of the Dead Photo Shoot

[Click here to watch 8 min video](#)

This is a pro shoot of the “day of the dead” shot at night . They spent a lot of money on staging props and equipment on this shot. You may be able to create something for much less if you plan and perhaps share the cost with several other photographers.

## Note From the President (Jamie)

I greatly appreciate your trust and confidence in selecting me to be president for the Next year. I am open to ideas or suggestions so please feel free to contact me. I will be asking for volunteers to help with open positions, such as secretary, or to help on various committees. Please consider how you can help make our club, everything it can be.
