July 2008

## ***Photos of the Month June 2008***

**Ronnie Gibbs and Diane Powell**

Theme - Technology

**Next Month:** The theme for the July photo of the month contest is "In the Zone". The idea is to make an image that best interprets the term "In the zone" either as the main subject or supports the main subject. You will not have to search too hard if you just look around your surroundings and think. If I have not made this clear enough just send me an e-mail at [rbox@comcast.net](mailto:rbox@comcast.net).

The theme for :  
August - Scorched  
Sept - Spicy

**Next Meeting: July 15**

## **Around Our World in 80 Minutes**

Prepare to be amazed, entertained and educated by some of our very own Nashville Photography Club member at our July meeting. They will be sharing their images and travel photography tips from across the United States and beyond including Siesta Key, Fl, Lake Powell, UT, Yellowstone and New Mexico. We will journey down I-40 to see beautiful sunsets, cypress trees and bald eagles at Reelfoot lake and we will cross the Atlantic to see the beauty of Germany. Images will fly us off to St Lucia, in the Caribbean and on

a National Geographic photographic adventure trip to Baja where we will see whales and other wildlife. Oh the places we will go!

Who are these world travelers.? Who is it you have been sitting next to at the meetings all year not knowing that they have traversed the far reaches of our planet in search of the perfect picture. Come and see!

### Basic Photography Class

A class covering the basics of photography is given before each of our meetings beginning at 6:30. If you are new to photography or just need to review some of the basics this would be a good place to start.

**Meeting Time & Place:** We meet on the third Tuesday of every month at 7:00 PM at First Baptist Nashville, 7th and Broadway in downtown Nashville. Go behind the buildings and park in the small fenced lot just behind the East Building at 6th & Broadway. [See on a city map](#) or [parking lot map and directions](#)

**Future Programs:** If you have any suggestions, e-mail them to **Rod Shean**, or let him know at the next meeting.

### Membership Dues

The membership dues are \$20.00 per year. Checks are made payable to the Nashville Photography Club. We will be collecting dues for the new year at the next meeting, July 15th.

If you are unable to attend the meeting, you can mail the check (made payable to Nashville Photography Club) to me at the following address:

## Chaffin's Barn

It looks like July 24th is the winning date for the Chaffin's Barn outing for the club.

I'll call the Barn and get them to set aside about 30 seats for us in one section. You will each need to call them at 646-9977 option 0 to make reservations. That number came from memory so if it isn't correct, I apologize. You can pay when you make the reservations or you can choose to pay at the door if you want. Please make sure to identify yourself as being with the NPC group that night so they will seat you with the rest of us.

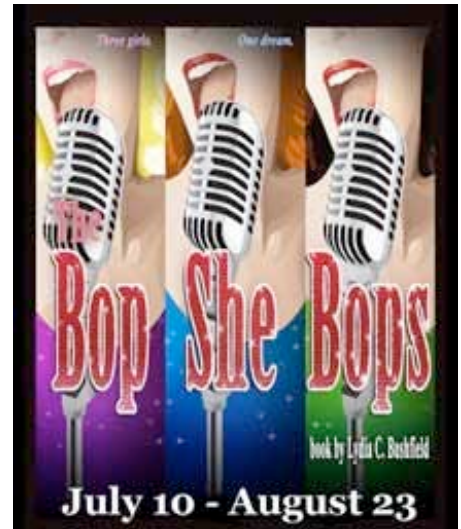

If you haven't been there before, and you think you might want to go back, I suggest buying a "Sampler Pass". It costs \$50 but each time you

use it, it saves you the price of one admission. It is a 2 for the price of 1 punch card so one person pays and the other gets in free. You can use it the night you buy it so if you go a second time you save a substantial amount of money. If you don't go back, you've broken even for the evening. Also, if you don't go back, you can let someone else use the pass if you want to. It's really a good deal for two people and they have some good shows yet to come this season.

## The Bop She Bops

a musical comedy  
Book by Lydia C. Bushfield

Three women return to their high school reunion to prove they do have talent. This heartwarming tribute to girl groups of the '60s follows 'The Bop She Bops' rehearsals in their basement, let's us eavesdrop on their hopes and dreams and enjoy 25 plus top 40 favorites from the '60s like: "These Boots Were Made for Walkin," "My Boyfriend's Back," "Chapel of Love", "Wishin and Hopin," and "Stop in the Name of Love." This show is sure to have everyone tapping their toes and maybe even doing a lil bop she bopping of your own!

## New Exhibit at Donelson Senior Center

There will be a new Exhibit, at the Donelson Senior Center open to all art forms! Tom Sawyer is our next production here at the Donelson Senior Center, Nashville Dinner theater. It is also our annual childrens' camp production so we would like pieces displaying grandchildren, great-grandchildren, children, up to age 18, or family oriented pieces.

The exhibit will be displayed in the halls during our production of Tom Sawyer July 25th-August 10th.

Bring your pieces ( pictures/paintings, we ask that they be framed/mounted, ready to hang) to the center the week of June 16th and deliver them to the director Jane Schnelle or program director Mel Shicks. Artist can enter more than one piece in the exhibit.

Be sure to have on the back of each piece: Your name, (name of your studio or business name, if you have one), your phone number, the name or title of the piece, the work or artist that inspired this piece, and the price you want or put "not for sale". Also a short bio is appreciated (if you would like to hang our bio next to your piece, please bring it framed and ready to hang).

If you do wish to sell your piece, 75% of the total sale goes to the owner, the other 25% will benefit the Donelson Senior Center and Senior Center for the Arts. Remember, this is a great opportunity to become more known as an artist, as the plays have sellout crowds every week!

Art pieces will be hung by Jane Schnelle, Mel Shicks, and Roberta Steinmetz. Each piece will be given an identification plaque with information about it. There is no limit on the number of submissions as long as there is space in the hallways (first come first serve policy).

The exhibit will be removed the first week of September. You may pick up your pieces that week.

Note: There will be a special reception for the artist on the opening night of the play, Friday, July 25th at 5pm. Come and tell about your piece and enjoy snacks and refreshments.

The Center is open Monday through Thursday till 8am-7pm, Friday 8am-3pm and Saturday 8am-12. You may call 883-8375 if you want to make sure the Center is open and someone is available to accept your work for the exhibit.

Please note that the name of the center is now Donelson Station.

The name Fifty Forward is the overall name now for all the Centers in the Nashville area.

Program Director, Melissa Sue Shicks
