

Photo of the Year by Jack Flint

Speaker - Kyle Dreier

Newsletter March 2014

Kyle Dreier is part food photographer and part mad scientist. His dark past includes nefarious titles such as art director, graphic designer and marketing director.

Kyle describes himself as "driven, proactive, curious and light-headed." His wife describes him as "sensitive, creative, considerate, mildly handsome." His three boys say he is "tall, strong, old, silly."

When not working with fantastic clients like Ruby Tuesday, Cracker Barrel and J. Alexander's he lives in Franklin, Tennessee where he enjoys making crème brûlée for his beautiful wife Amy, wonderful boys Blake, Jacob and Matthew, sweet dog Bella and the occasional fish.

If you wonder what Kyle's photography looks like just drop by [www.dreier.com](http://www.dreier.com) and witness his madness.
