Nominations for Officers

1- The May photography club meeting is when nominations are made for the club officers and board members for the June election. This year the club has the following positions that need to be filled: President, Vice President, and two Board Members. Due to unforeseen circumstances beyond his control, Jack Flint will not be able to serve as Photography Club President for the 2013-2014 year. The club needs members to step up and fill these positions in order to keep the club strong and growing. I look forward to working with the new officers and the board members to ensure a smooth transition.

Semi Annual Member Slide Show in July

2- The semi annual member slide show will be happening in July. Listed below is information for the slide show. We will cover this again at the June meeting.

Each member can submit up to 12 images for the show. I would also like to get some type of self portrait or self image that can be displayed before your images so that club members can better associate a face with a name of the contributing photographer. Following are some details for submitting your images:

All images must be submitted by Friday, July 5th in order to get them in the slide show.

Images should be 1024 on the longest side by 120 DPI.

Images need to be labeled in the following manner (Photographer Name_# ex. Chris Kringle_1). I need the photographers name in order to give credit to the photographer for their work.

You can use WeTransfer file transfer to send me the images or you can give them to me on a CD at one of the meetings, or you can e-mail them to me. I prefer using WeTransfer file transfer, but I can take them in the other methods also.

Contact me at my e-mail address or see me at one of the meetings if you have questions. My e-mail address is: BWrightback@comcast.net
