A class covering the basics of digital photography is given before each of our meetings beginning at 6:30. If you are new to photography or just need to review some of the basics this would be a good place to start.

**Meeting Time & Place:** We meet on the third Tuesday of every month at 7:00 PM at First Baptist Nashville, 7th and Broadway in downtown Nashville. Go behind the buildings and park in the small fenced lot just behind the East Building at 6th & Broadway. [See on a city map](#) or [parking lot map and directions](#)

**Future Programs:** If you have any suggestions, e-mail them to **Rod Shean**, or let him know at the next meeting.

### Membership Dues

The membership dues are \$20.00 per year. Checks are made payable to the Nashville Photography Club. We began collecting dues for the new year at the July meeting.

## Report from the Hiking Group:

A fun group of individuals came out on a chilly and overcast day for our hike!! We were able to get some great shots, even if it meant driving a Jeep at 40 mph into the ditch to try and capture a Blue Heron...or an old tractor. Thank you to those who attended the hike on Sunday, October 19.

Our next hike will be in Feb., and will have a bit of a twist - Chattanooga Aquarium - come and practice the skills you all learned in Bill's class. Join us in an underwater adventure with beautiful exhibits and fishy friends! There is an admission charge to the Aquarium, but I believe you will agree from the Butterfly Exhibit to the Sharks it is worth it!

Happy Hiking
