### **Panasonic LUMIX DMC-FZ70: See and Hear What You've Been Missing**

Life is more than a single moment captured in time. Panasonic understands that and delivers advanced multimedia technology in the LUMIX DMC-FZ70. Bring the action in super close with a 60X optical zoom. Discover the optical performance of the DMC-FZ70 with an amazing 20mm wide-angle to 1200mm (60X) long zoom, making it a category class leader\*. Video and photos appear bright in low-lit conditions with the F2.8-5.9 lens. Combined with optical image stabilization, both long zoom photos and videos are sharp and blur free. Experience Full 1080/60i HD Panasonic Video recording with auto focus from the DMC-FZ70. Achieve crystal clear audio utilizing a unique microphone that eliminates ambient noise and wind sound with the stunning clarity of Dolby® Digital. This amazing microphone even zooms with the camera to precisely zero in on the audio coming from your subject.

### **Super Long Zoom Lens From 20mm Ultra Wide-Angle To 60x Optical Zoom**

At 60X optical zoom (20mm-1200mm), the DMC-FZ70 lens is the widest and longest zoom in its class\*. Discover stunning versatility from ultra-wide 20mm to an incredible 1200mm range making it possible to capture dynamic landscapes, wildlife, and almost any scene when traveling. At 20mm the lens captures nearly 140% wider angle of view compared with a 24mm lens. Capture a little extra zoom with Intelligent Resolution technology. The DMC-FZ70 can extend the zoom ratio up to 120X equivalent while maintaining superior picture quality. An optional optical lens adapter can even further extend the FZ70 range.

So new it's still a pre-order from Amazon. Looks like you'll be able to purchase it for around \$400 street price. Click here for more info ><http://shop.panasonic.com/shop/model/DMC-FZ70K>

### PHOTO CONTEST

The 3CT is hosting a Seminar/fieldtrip the weekend of October 11,12, 13 in Chattanooga, TN. The speaker is a world famous photographer of birds. The theme for the photo is: Bird(s)

The NPC has agreed to hold a contest, looking for the Bird photo we want to contribute to the 3CT event. This photo will be displayed with others for three months.

NPC is asking that you bring ONE photo to the September meeting. Do not mat or frame the photo. We will look at photos that are either 8x10 or 11x14 in size. Bring it in, covered and our officers will put assign a number to your name. The winning photo will be announced at the end of the Sept meeting. The winner will be required to have the photo printed. They require either an 11x14 or 16x20 print. NPC will then have it matted and framed and delivered to the 3 CT event.

Let's give the NPC a great showing at this exhibit.
